

NUNEATON TOWN SUPPORTERS' CO-OPERATIVE

Meeting at Coton Liberal Club, 7.30pm, Wednesday, 17th December 2014, meeting opens 7.40pm

Present: A. Briggs, D. Hall, J. Skuce, P. Davis, J. Hobson, M. Ball, M. Turner, D. Cook

Apologies: P. Burdett, R. Barnes, R. Miller, E. Stevens

Several items on agenda held over to next meeting due to mix-up at tonight's venue regarding booking of room.

Sponsored Player: Club contacted chairman to say sponsorship of player could be transferred. Dave to email committee to vote for new player to sponsor. Only contracted players.

Co-op Energy Affiliate Scheme: Co-operative would receive £30 for any member taking up dual-fuel energy scheme. Another look at this in New Year.

Meeting with Football Club: Minutes of the meeting with the club are fully documented, dated 16 December 2014. Overall, members thought it had been a positive meeting..

Pete Davis raised concerns about how long the chairman would subsidise the club, having said the club would be subsidised "this season", and fans need not have any concerns about this.

Dave Hall said he was amazed how easily the fans' representative on the football club board was accepted, after 10 or 12 years of trying for this. It was agreed that this was a great opportunity to work more closely with the football club.

It was agreed that it seemed as if the chairman, Lee Thorn, was trying to improve things at the club, at a difficult time.

Minutes of the football club meeting had been prepared and after any alterations, would be sent to the football club and also published on our website as usual.

AOB: Pete Davis asked if he should contact the contractor who had previously filled in potholes on driveway. Our chairman said that if any more expense were involved, a meeting with the rugby club would have to take place. It was pointed out that in the original deal with the contractor, he said he would come back periodically and maintain the driveway. Pete would report back to the next meeting.

There is a steering committee meeting of the Heritage Project meeting this coming Friday. A new volunteer had come forward, Bill Wright.

Meeting closed 8.25 pm

Next meeting: Wednesday, 14th January, 2015, at Wing Wah

The draw of the Christmas Raffle took place after the meeting.
