AGM Planning: Two forms received from J. Skuce and M. Ball, who are standing for re-election, and one from B. Bruce, who is standing for election to the board. Pictures and bios will be posted on website. Agenda and details of these will be emailed to all members on the 15th.

Peter Burdett will be resigning from the board at the AGM. The chairman thanked Pete for all his efforts over the last few years. The membership fee would remain at the present amount, as agreed at the last meeting, but run from January to December to facilitate FCA information.

Supporters' Direct Meeting at Wembley: July 16th & 17th. With the approval of the board, members will be sent, possibly 2/3, any one interested, to come forward. Three possibles at present. It was suggested that we could possibly put a stand on?

Take-over rumours: It was said that, at the last game, the chairman stated, in the lounge, that there was still nothing definite on the take-over of the club. It was stated that, originally, this could take up to 4 weeks? In the mean time business, at the club, seems to be carrying on as normal.

200 Club: Draw for May to be made after the AGM on June 1st.

A.O.B. J. Skuce had spoken recently to Dave Sharpe, and Dave said he had a signed shirt for the Co-operative, and would we be sponsoring players next season and entering a ground naming draw this year? It was agreed to hold fire on these at the moment, due to the present situation.
