Ticket sales were going well, and it was hoped to have 250 people at the event. A table plan has been produced, and tickets would be allocated to the tables. A table plan would be on display on the night. Tickets on sale at the Woking home game, to be published on website and on Fans Forum.

SD Meeting: John said that he would attend, and invited anyone else that was interested, at Heather, on Sunday, 26th April. The basis of the day is Trust Finances, managing supporter owned football clubs, and the story of Hinckley AFC, which should give a good insight on how they started their fans' owned club model.

Town-to-Town: Video recording to start soon, Friday, 24th April, 12-4pm. People were lined up for this. Spring Fayre at Heritage Centre on 18th April, we would be having at table at this event, any support would be appreciated.

AOB: Andy reported a football club board meeting has been arranged for the coming Tuesday at 1pm.

Mike Turner suggested that, according to reports that the Rugby Club chairman had resigned, we should write to the rugby club and ask if they were aware of the offers, that had been put forward to them, regarding the driveway, otherwise we were going around in circles on this matter. It was suggested that Mike contacts the rugby club on their position regarding this matter. Andy Briggs suggested that we should publish our efforts regarding the driveway.

JDRF quiz night this coming Friday, at Griff & Coton, which we will support, any prizes welcome for the raffle.

Roger Barnes reported a conversation with the Football Club chairman about the tumble dryers, which have been acquired. It was agreed to send our agreed contribution of £300.
