8. The Trust.

Mark, Mike and John had met with Jackie Forster from Supporters' Direct on Wednesday, 13th April. Jackie had been encouraged by the prospect of the Supporters' club becoming involved. John said there was room to manoeuvre with donating cash to the football club, such as buying items and loaning them to the Club (like Northwich have done). Mike said it would hopefully give the fans a voice and better facilities. John said he had approached Andy Briggs to see if he would be interested in getting involved. Ray added that the Secretary was the most important job with lots of work involved.

It was then agreed that the voting forms would be sent out as soon as possible, with the deadline for their return set at 16th May 2011.

9. The Memorial Garden.

A meeting had taken place on 13th April on site with Dave Devall present. It was agreed that it would be built on the original site (opposite the bar entrance). Dave Devall would be providing a drawing.
