4. Chairman's Report - John said he had been helping Dave with the 200 Club. He had also been updating the website and stationary with sponsors' logos.
5. Secretary's Report – Jim A. said he had written a letter to members outlining our achievements over the past year. It also discussed our aims for the future. It was agreed to send to members. Jim A. had also written some notes for the programme, which were approved.
6. Treasurer's Report – N/A.
7. 200 Club – Dave said the 200 Club currently has over 100 members. It was agreed following a meeting with the Club that they would pay upfront for the players' contribution and the people who were still paying into the Football Club's account. John said he was attempting to contact these people individually.
- Dave reported a few issues. Firstly, a few standing order mandates had been returned. The Co-Operative Bank had initially assured us that they would deal with the mandates, but several had been misplaced and the Bank were refusing to handle them. John said he would go to the Bank and attempt to resolve the issue as the situation was not acceptable after the Bank had promised to deal with it. Until then, it was agreed to add the people effected into the draw and sort it out afterwards.
- Dave said that thanks should go to Richard Dean who had got the players involved and had sent out over 200 flyers to supporters. Martin said he would plug the draw on the forums. John asked if a microphone was available for the draw as there were a few problems with the microphone at the previous match. Mark M. said he would arrange one.
8. FSA Update – this is ongoing.
 9. Quiz at the Griff and Coton – see above.
 10. Merchandise – It was agreed to have a table outside for the Gateshead match.
 11. Disabled Stand –It was agreed to try and get this moving again. First step was to have a chat with Mick Bates and found out where we currently are.
