

Nuneaton Town Supporters' Interim Committee

Minutes from Wednesday 27th July 2011 at Liberty Way.

Meeting opens at 7.10pm

Present: Jim Astley, Mark Axon, Roger Barnes, Dave Hall, Alan Cooper, John Hobson, Mike Turner, and Martin Ball.

Apologies: Ben Bruce, Jim Skuce, Pete Burdett, and Ray Miller.

3. Minutes of Previous Meeting.

John said that Marcus Jones could not make it to the launch evening, but was keen to arrange a meeting.

Mike said that he had sent three emails regarding sponsoring players for the upcoming campaign, but was yet to receive a reply.

Martin had done some work on the newsletter, but needed some additional content. Mike suggested getting this ready for the launch.

Changing the names on the bank accounts was still ongoing.

John said he had sent out invitation to old Supporters' Club members.

4. Chairman's Report

John said he had received emails from several councillors regarding the invites to the launch, one saying he will attend if possible.

7. The Trust.

Jim asked if the lady from the Hospice would want to say anything at the launch evening? Dave said he thought she would.

With regard to changing the details with the FSA, Dave said he looked into it and believed that it would be best to change this after the elections. It was agreed to wait.

Elections – Roger said he believed that members standing for election were required to make a speech. Jim said that he thought that setting a date for the AGM was important, whereas John said a more fluid approach might be better. Get people in their best jobs before making a decision.

John said ideally we would look to create separate committees for different areas.

Website – Mark said he had done some content and had launched a Facebook page. Mark said that a website is important and that it would be best to launch a completed one, rather than a basic site that would be added to.

8. Memorial Garden

We could access the site from 9.30 onwards on the 30th July for work to begin on the Memorial Garden.

Jim said he would order the stuff tomorrow.

Dave asked if there had been any contact with Dave Devall, Mike replied that there had not been.

John asked if a religious service would be required, Mike said that Dave Devall had offered to arrange it.

9. PA System.

Roger said that ten speakers had arrived, with all the cables, waterproof boxes etc. They were the same as the speakers from Coventry Bees and would sound very good. Mike suggested offering Mark Mortlock a free corporate membership or meal day as a thank you.

10. Any Other Business.

- Would it be possible to have a Trust article in the programme? John suggested that committee members could take it in turns to share the burden. We could possibly use it to promote and acknowledge the life members.

Next meeting – informal chat at the Acorn on 3rd August at 7pm.

Next meeting – 11th August at Liberty Way at 7pm.

Meeting ends at 8.45pm.
