It was suggested that if committee members have to send apologies for meetings, we must have updates on anything they are currently involved with please

A flyer was produced for publicising the 200 Club at the game on Saturday. A couple of alterations were suggested before printing for the weekend.

**Treasurer's report:** G/A: £7,912.21 C/F: £9,275.07. Room booked for 10 nights with Sports Club.

**Race Night:** Co-op member Dave Cook addressed the meeting about his plans for running the proposed Race Night. He went into detail of what would have to be done to ensure a successful night re: sponsorship of races etc., and also suggested perhaps the evening could be doubled up with an end of season presentation night? Dave was thanked for his input, and left the meeting. The race night would be run to produce funds for the Back to Boro project, which is a joint project with the club, but concerns were raised about the football club's lack of interest so far. They say that they are still waiting for the FA to come back to them about the OK for the name change. A date in April was now suggested for the race night, in the hope of news from the FA as soon as possible.

**Aims & Objectives:** It was agreed that our website needs to be looked at and updated to include our aims and objectives. A 2018 calendar of events will be produced to be included on there. Some of these suggestions should be also included on Facebook etc. It was suggested that we need to strengthen our bonds with other groups in the local community.

The outside company that has recently taken up the community work at the football club have been in touch with regards working with them, a meeting with them was suggested, to learn more about their company.

**Next meeting with football club:** Still waiting to hear from Frankie Fry.

**Youth Team game:** v. West Ham. Help with this might be forthcoming from the club.

**AGM:** Date: 7.30pm, Wednesday, 16<sup>th</sup> May at Coton Sports Club. A suggestion of a fans' forum on the same evening was put forward.
