Treasurer's report: G/A: £7,706.80. C/F: £9,277.07. Payments: Public Liability Policy £205.41. To pay: SD for 2 places at Members' Day £30. Audit now complete.

Race Night: Sound check arranged for Friday morning 10am. Still some races to be sold on the night, race sponsorship all covered. All that was needed now was a good turn out on the night.

AGM: Mark Axon has submitted his election form, Mike Turner to seek re-election. Agenda to be finalised at next meeting.

Rebranding: Name change will give opportunity to possibly re-brand NTSC with an improved website, social media, email, logo etc. Harry to pursue possible costs involved and examples.

Re-organising: A proposal was made to look at re-organising our fortnightly meetings into perhaps a monthly main board meeting, with sub-committees working on different agendas and reporting back to the main board on them. This was discussed at length, and agreed that this would be a workable idea. This would be raised at the forthcoming AGM.
